

EDUCARE INSTITUTE OF DENTAL SCIENCES

Kiliyamannil Campus, Chattiparamba, Malappuram, Kerala, Pin-676504

PROSPECTUS FOR BDS ADMISSION 2018-19

PREFACE

Educare Institute of Dental Sciences (ECIDS), is first of its kind in the Malappuram district was established in the year 2006. First batch in 2007 with a intake of 50 students per year was started in 2007 with the approval of State government, DCI and is affiliated to Kerala University of Health Sciences, Trissur. . The institute was recognized by DCI in 2013 and the student intake was enhanced to 100 seats per year. .The campus with modern amenities overviewed by an illustrious faculty offers a perfect setting for an enriched academic experience and vibrant student life and also has state of the art facilities with latest equipments to cater to the needs of all patients and for students' training..The Institute has obtained approvals from all the regulatory bodies/viz: Dental Council of India and Kerala University of Health Sciences..

During the last 10 years of its existence, the Educare Institute has helped, in changing the entire profile of Chattiparamba, otherwise a sleepy village, and an unknown entity. As responsible members of the society, we have undertaken several measures, such as dental camps, health surveys and other works that helped the presence of the campus meaningful, for the improvement of the life of the people in the region.

The institute is located on the Kottakkal–Perinthalmanna State Highway. Frequent bus services are available throughout the day from all the nearby towns. Calicut International Airport is only 32 Km away and there are three railway stations Tirur, Kuttippuram & Angadippuram, all within 25 km radius.

The dental college and all dental specialty buildings are aesthetically designed with landscaped campus. The library boasts of rich collection of dental books and both National and International journals. Broad band internet facilities are provided in the campus. Labs are equipped with modern equipments. Hostel rooms are with attached bath rooms and are provided with all modern amenities.

ECIDS is credited with having one of the most eminent Faculties amongst its peers in the state. The dental clinic has 225 electronically operated imported dental chairs. ECIDS has one of the largest patient turn out among dental colleges in the state.

Vision and Mission

Our Vision

To be the centre of excellence in Dental Education in our country and improve the dental health of the people by providing quality dental health care

Our Mission

To impart adequate knowledge, necessary skills and a positive attitude necessary for the successful practice of dentistry involving prevention, diagnosis and treatment of dental anomalies and diseases and be a useful member of the society.

To conduct relevant research within the local population to establish the baseline prevalence of those diseases.

To provide quality treatment at affordable prices to the different strata of the society

To create Health awareness among the public

Objectives

1. Assure the competence of graduating students.
2. Recruit qualified and competent faculty in each specialty.
3. Promote further development of faculty skills.
4. Emphasize positive interpersonal relationships between faculty, staff and students.
5. Systematically assess, revise, and otherwise incorporate current educational methodologies, technologies, clinical materials, techniques and clinical equipments into the dental curriculum transaction
6. Assure that each student is provided with opportunities to examine personal and professional ethics.
7. Provide an appropriate patient base to support the educational program.
8. Assure that students are provided financial aid information.
9. Provide opportunities for students to render patient centered care in community settings.
10. Develop and conduct continuing education programs to stimulate ongoing professional growth.
11. Promote oral health through participation in community service activities, including educational and other non-clinical oral health services.
12. Increase community awareness of the College.
13. Emphasize administrative efficiency
14. Maintain the infrastructure of the College of Dentistry
15. Promote co-curricular activities with the objectives to develop desirable attitudes, values and soft skills among the students.

- c. A candidate who has passed Higher Secondary examination of the Board of Higher Secondary Education, Kerala, or Examinations recognized equivalent there to by KUHS with 50% mark in Biology/Biotechnology separately and 50% marks in Physics, Chemistry and Biology/Biotechnology put together are eligible. The candidate must study English as a subject in the Higher Secondary course In respect of candidates belonging to Socially & Educationally Backward Classes the minimum marks required in qualifying examination in Physics, Chemistry and Biology/Biotechnology taken together and in Biology/Biotechnology separately is relaxed to 45% instead of 50% as above.

With respect to candidates belonging to Scheduled Castes and Schedules Tribes the minimum marks required in qualifying examination in Physics, Chemistry and Biology/Biotechnology taken together is relaxed to 40%. The eligibility criteria for admission to persons with disability of lower limbs (40 to 70%)– will be a minimum of 45% marks instead of 50% taken together in qualifying examination and competitive entrance examination for admission in BDS course or any other examination which, in scope and standard is found to be equivalent to the intermediate science examination of an Indian University/ Board, taking Physics, Chemistry and Biology/Biotechnology including practical test in each of these subjects and English.

NATIONALITY:

Candidates must be Citizens of India / children or dependents of Non Resident Indians. Persons of Indian Origin (PIO)/ Overseas Citizen of India [OCI] will also be treated at par with Indian citizens for the limited purpose of admission. However JPIQ/OCI candidates will not be eligible for any kind of reservation.

AGE

Applicants shall complete the age of 17 years on or before 31st December 2017.

ACADEMIC:

As per the 'Dental Council of India BDS Course Regulation 2007', the applicant should have passed the qualifying examinations as under:

(a) The Higher Secondary Examination or the Indian School Certificate Examination which is equivalent to 10+2 Higher Secondary Examination after a period of 12 years study, the last two years of study comprising of Physics, Chemistry, Biology, and Mathematics or any other elective subjects with English at a level not less than the core course for English as prescribed by the National Council for Educational Research and Training after the introduction of the 10+2+3 years educational structure as recommended by the National Committee on education or a pass in plus two under the CBSE stream of syllabus.

Note: Where the course content is not as prescribed for 10+2 education structure of the National Committee, the candidates will have to undergo a period of one year pre-professional training before admission to the college.

Or

The Intermediate examination in science of an Indian University/Board or other recognized examining body with Physics, Chemistry and Biology which shall include a practical test in these subjects and also English as a compulsory subject.

Or

The pre-professional/pre-medical examination with Physics, Chemistry and Biology, after passing either the higher secondary school examination, or the pre-university or an equivalent examination. The pre- professional/premedical examination shall include a practical test in Physics, Chemistry & Biology and also English as a compulsory subject.

Or

The first year of the three years degree course of a recognized university, with Physics, Chemistry and Biology including a practical test in these subjects provided the examination is a "University Examination" and candidate has passed 10+2 with English at a level not less than a core course.

Or

B.Sc examination of an Indian University, provided that he/she has passed the B.Sc examination with not less than two of the following subjects Physics, Chemistry, Biology (Botany, Zoology) and further that he/she has passed the earlier qualifying examination with the following subjects - Physics, Chemistry, Biology and English.

Or

Any other examination which, in scope and standard is found to be equivalent to the Intermediate Science Examination of an Indian University/Board, taking Physics, Chemistry and Biology including practical test in each of these subjects and English.

Note:

The pre-medical course may be conducted either at a Dental College or a Science College.

Marks obtained in mathematics are not to be considered for admission to BDS course

After the 10+2 course is introduced, the integrated courses should be abolished.

Rounding off of the percentage of marks to the nearest whole number is not permitted.

Candidates who have not passed their qualifying exam from the Kerala Higher Secondary Board, the CBSE or the ICSE shall provide an equivalency certificate obtained from KUHS.

II. CRITERIA FOR ADMISSION & SELECTION PROCESS

Selection of Students will be only on the basis of inter-se-merit. They should be eligible for admission on the basis of National Eligibility cum Entrance Test (NEET -2018). For open merit candidate, they should have obtained the 50 % marks in the qualifying exam for the core subjects. Candidates belonging to SC/ST/SEBC will be considered for admission to this course only if they have scored a minimum of 40% marks in the National Entrance Examination. Candidates with Loco motor disability of lower limbs between 40% to 70% will be considered for admission to BDS course only if they have scored a minimum of 45% marks in the National Entrance Examination.

Relaxation of marks in qualifying examination: Candidates belonging to Socially and Educationally Backward Classes (as per G.O. (P) No. 208/66/Edn dated 2.5.1966 and amendments thereof), with a total annual family income not exceeding Rs. 6 lakhs, will have a relaxation of 5% marks in the qualifying examination. They need only 45% marks in the case of biology and 45% marks in the case of Biology, Physics and Chemistry put together. Candidates belonging to SC/ST categories need 40% marks in Physics, Chemistry and Biology put together in the qualifying examination. The SEBC candidates should submit their Community Certificate and Non creamy layer Certificate in the prescribed format (Annexure III) and their income certificate obtained from the concerned authority.

Selection to BDS course is made by the Controller of Entrance Examination, Kerala based on inter-se-merit from the Kerala NEET rank list including for the NRI seats. Selection will be done by CEE through a centralized counseling and allotment process. The vacancies if any after first allotment will be filled up by CEE through spot admission as per norms.

Note: Rules and Regulations of Kerala University of Health Sciences with regard to the eligibility for admission to BDS Course as per the regulations of Dental Council of India is available on the University website in the following link: http://kuhs.ac.in/files/syllabus/2010-II/bds_1011.pdf (BDS). VI.RESULT OF BDS EXAMINATION FOR THE LAST THREE YEARS

Educare Institute of Dental Science is one of the top dental colleges in the State. The dedicated and sincere efforts of both the Management and staff boosted the exam result to a considerable level. The analysis of final year examination result for the last three years substantiates this statement.

SI No	Academic Year	Percentage of Result
1	2014-15(2009-10 Batch)	93
2	2015-16(2010-11 Batch)	87
3	2016-17(2011-12 Batch)	96

VII.FACILITIES PROVIDED TO THE STUDENTS

HOSTELS: Hostel facilities are provided for Boys and Girls. Female students are provided with three well equipped hostel blocks surrounded by strong compound wall. The total intake of the girls' hostel is 300. Each room in the girls hostel is well furnished, equipped and bath attached. The service of two female Asst. wardens is available on full time basis.

The boys' hostel block is also well-furnished and well protected to accommodate 50 inmates.

DEPARTMENTS: All the nine Dental Departments as well as the Basic Science Departments are well furnished and well equipped as per the specifications prescribed by Dental Council of India and Kerala University of Health Sciences. The installation of CBCT facility in the Oral Medicine and Radiology Department is a remarkable mile stone in the developmental history of the Institution. Educare Institute of Dental Sciences is the only dental college to have this facility in the state.

LIBRARY:-The institution possess a very good library with modern books and journals both current and back volumes. The journals include 24 national and 25 international journals. The library hall is spacious enough to accommodate more than 200 students at a time with a reading room attached it. Online reference facility is provided to the students with 10 systems and the library is fully automated.

TIE UP WITH GOVT.HOSPITAL MALAPPURAM

The institution has a tie up with the 116 bedded Govt. Hospital Malappuram that is within eight KMs from the college for the training of BDS students (GO (Rt) No.3046/2016 /H&FWD dt. 11-11-2016)

Spacious examination halls to accommodate 200 students, well-furnished canteen with 200 seating capacity and a large play-ground are the other attractions. The students are provided with locker facilities and girl students have rest rooms.

TIE UP WITH MALAYSIA UNIVERSITY

Educare has expanded its horizon in the field of research and faculty exchange by establishing a tie up with University Saints Malaysia(USM).Through this collaboration the institute and the USM will endeavor to support and assist each other in the field of common interest by organizing workshops or conferences.

VIII.FACULTIES
