PREFACE

Educare Institute of Dental Sciences (ECIDS), is first of its kind in the Malappuram district was established in the year 2006. First batch in 2007 with a intake of 50 students per year was started in 2007 with the approval of State government, DCI and is affiliated to Kerala University of Health Sciences, Trissur. . The institute was recognized by DCI in 2013 and the student intake was enhanced to 100 seats per year. .The campus with modern amenities overviewed by an illustrious faculty offers a perfect setting for an enriched academic experience and vibrant student life and also has state of the art facilities with latest equipments to cater to the needs of all patients and for students' training..The Institute has obtained approvals from all the regulatory bodies/viz: Dental Council of India and Kerala University of Health Sciences..

During the last 10 years of its existence, the Educare Institute has helped, in changing the entire profile of Chattiparamba, otherwise a sleepy village, and an unknown entity. As responsible members of the society, we have undertaken several measures, such as dental camps, health surveys and other works that helped the presence of the campus meaningful, for the improvement of the life of the people in the region.

The institute is located on the Kottakkal–Perinthalmanna State Highway. Frequent bus services are available throughout the day from all the nearby towns. Calicut International Airport is only 32 Km away and there are three railway stations Tirur, Kuttippuram & Angadippuram, all within 25 km radius.

The dental college and all dental specialty buildings are aesthetically designed with landscaped campus. The library boasts of rich collection of dental books and both National and International journals. Broad band internet facilities are provided in the campus. Labs are equipped with modern equipments. Hostel rooms are with attached bath rooms and are provided with all modern amenities.

ECIDS is credited with having one of the most eminent Faculties amongst its peers in the state. The dental clinic has 225 electronically operated imported dental chairs. ECIDS has one of the largest patient turn out among dental colleges in the state.
