

## Publications

### Dr Indushekar K R Professor and HOD

1. Efficiency of topical fluorides on surface micro hardness of enamel. Jour ISPPD 1-6, 1992.
2. Peripheral odontogenic fibroma – Case report. Jour ISPPD Vol 15, 4, 130-133, Dec 1997.
3. Prevalence of dental caries and correlation with fluoride in low and high fluoride areas. Jour ISPPD March 15-20, 1999.
4. Otomandibular dysfunction syndrome. Case report. Jour ISPPD, Vol 18, Oct 2000.
5. MUCOCELE – A Case Report. *K.S.D.J.: 2004: 23:1:19-20.*
6. Comparative evaluation of slot versus dovetail design in Class III composite restoration in primary anterior teeth. Contemporary clinical dentistry Jan – March 2010 Vol 1 Issue 1 6-9
7. Relative position of the Mandibular foramen in different age groups on children. A radiographic survey. Jul – Sept 2010 issue 3 Vol. 28. ISPPD
8. K-file V/S Files in cleaning capacity and instrumentation time in primary molar root canals: An *in vitro* study JISPPD 2011 29 (1): 2-6
9. Missed, Concealed And Obscured Aspects Of Caries Prevention- Legacy For The Future. Indian Journal of Dental Sciences. June 2011, Vol.:3 (2)
10. Importance of dental age and skeletal age in forensic sciences for the assessment of pediatric growth and development. Ind. Jour forensic med and toxicology, July - Dec 2012, vol 6, no 2
11. Childhood thumb sucking habit: the burden of a preventable problem. Journal of Dentistry, Medicine and Medical Sciences , June 2012 Vol. 2(1) pp. 1-4
12. Role of Propolis in dentistry; Review of the literature – Journal of Focus on alternative and complimentary therapies Sept 2013 Vol 18 (3)

13. Comparative evaluation of the effects of xylitol and sugar-free chewing gums on salivary and dental plaque pH in children JISPPD 2013 31 (4) 240-244
14. Comparison of Antibacterial efficacy of calcium hydroxide and fresh Aloe vera juice; an in vitro microbiological study. JIDA May 2013 vol 7 issue 5
15. Dilacerated inverted unerupted permanent maxillary central incisor. A Consequence of trauma, a case report and review of literature. Indian journal of dental sciences June 2013 issue 2 vol. 5 Dental journal published by govt. health university
16. Clinical and Radiographic Evaluation of Pulpotomies In Primary Molars With Formocresol, Glutaraldehyde and Ferric Sulphate. Oral Health and Dental Management March, 2013 - Vol. 12 (1) 486
17. Use of formocresol by the pediatric dentist across India – questionnaire survey. Journal of Evolution of Medical and Dental Sciences/ Volume 2/ Issue 32/ August 12, 2013 Page 5943 – 5951
18. "Evaluation of marginal alveolar bone height for early detection of periodontal disease in pediatric population- clinical and radiographic study" [J Contemp Dent Pract.](#) 2014 Jan 1;15(1):37-45
19. Knowledge, Attitude, and practice of pediatricians in Faridabad towards infant oral health care. Universal research journal of dentistry. May- august 2014 vol 4 issue 2
20. Occlusal characteristics and prevalence of associated dental anomalies in the primary dentition. [Journal of Epidemiology and Global Health](#), Volume 5, Issue 2, June 2015, Pages 151-15
21. Foreign body in primary tooth; Case report JIDA Vol 9 issue 3 March 2015
22. Knowledge and awareness of coaches and athletes regarding the sports-related dental injuries and their prevention in Faridabad. Jou. Of Current Medicine Research and Practice Dec 2015 Pages 253-257
23. Non syndromic Paired Incisive Jumeaux : Diagnosis and Management International Journal of Oral Health and Medical Research SEPTEMBER-OCTOBER 2016 | VOL 3 | ISSUE 3
24. A cross sectional study to evaluate the oral health status of children with intellectual disabilities in National Capital region ( Delhi NCR) Journal of Intellectual disability research 2018 Pages 31-39 vol 63 issue 1 2019
25. Gingival and localized alveolar bone necrosis following devitalization in primary tooth: a case report. European journal of pharmaceutical and medical research , 2019,6(7), 677-679

26. Are dental caries and overweight/obesity interrelated? A cross-sectional study in rural and urban preschool children JISPPD 37(3) July Sept 2019
- 29 Evaluation of Marginal Alveolar Bone Height for Early Detection of Periodontal Disease in Pediatric Population: Clinical and Radiographic Study June 2014 · The journal of contemporary dental practice 15(1):37-45
- 30 Comparative assessment of Chronological, Dental and Skeletal age in children. Indian journal of dental research Vol 3 Issue 5 Sept-Oct 2019
- 31 Prader Willi Syndrome.A case report . Public open health journal vol 1 issue 12016
- 32 Are dental caries and overweight/obesity interrelated? A cross-sectional study in rural and urban preschool children 2019 vol 37 issue 3 pp 224-
33. Comparative Evaluation of Penetration Ability of Three Pit and Fissure Sealants and Their Relationship with Fissure Patterns J Dent Shiraz Univ Med Sci., 2018 June; 19(2): 92-99.
34. Comparative Evaluation of Working Length Using Conventional Radiographic Method, Radiovisiography, and Apex Locator in Single-rooted Permanent Teeth. Journal of Oral Health and Community Dentistry, Volume 15 Issue 2 october 2021 49-54

### **PUBLICATIONS INTERNATIONAL;**

1. Idiopathic gingival fibromatosis. Case report. Saudi Dental Jour, Vol. 14, No. 3, 143-145, Sept – Dec 2002.
2. Multiple submerged primary molars. A case report. Saudi Dental Jour, Vol. 15, No 3 148-150, Sept 2003.
3. Sequential Development of multiple Supplemental Premolars . NYSDJ 46-48 Jan 2008
4. Comparison of the retentive strength of 3 different posts in restoring badly broken primary upper incisors. *Journal of Dentistry for Children* [J Dent Child \(Chic\)](#). 2010 Jan-Apr;77(1):17-24
5. Modified Distal Shoe appliance and fabrication and clinical performance Journal of dentistry for children vol. 79 number 3 Sept/Dec 2012
6. Current Perspective on use of aloe vera in dentistry. European Journal of Medicinal plant 2014 4(12): 1408-1419

7. Comparative evaluation of ferric sulphate, electrosurgical diode laser on human primary molar pulpotomy. An in vivo study. Journal of laser therapy. Feb 2014 23.1: 41-47
8. The Clinical, Radiographic and Histological evaluation of three different concentrations of formocresol as pulpotomy agents. Journal of International Oral Health 2014 (6) 2;118- 125
9. Remineralization effects of two pediatric dentifrices and one regular dentifrice on artificial carious lesion in primary teeth: An *in vitro* study Journal of International Society of Preventive and Community Dentistry May-August 2014, Vol. 4, No. 2
10. Apical Plug technique in a calcified immature tooth; A case report. J of Academy of General Dentistry Jan Feb 2015;63(1):e12-5
11. Dental notation for primary teeth; a review and suggestion of a novel system. European Jou of Paediatric Dentistry 2015 vol 16(2)- 163-166
12. Comparative evaluation of Remineralizing Potential of Three pediatric Dentifrices. International Journal of Clinical Pediatric Dentistry July-Sept 2016:9(3):1-6
13. Childhood Occurrence of Pemphigus Int J Clin Pediatr Dent. 2017 Apr-Jun; 10(2): 196–200
14. A comparison of decontamination methods of tried in preformed metal crowns: an in vitro study [European Archives of Paediatric Dentistry](#) vol 20, 537–544 (2019)
15. "Evaluation and applicability of Tanaka-Johnston and Moyers' mixed dentition analysis for North Indian population" World Journal of Dentistry, Volume 12 Issue 1 (January-February 2021)

#### **CONTRIBUTION OF CHAPTER IN DIFFERENT TEXT BOOKS**

1. Contribution as co author in Text book of Pediatric Dentistry by S.G. Damle Arya Publication

#### **Dr. Hafiz Kooliyat**

- Jayapalan CS, Pynadath MK, Mangalath U, George A, Aslam S, Hafiz A. Clinical diagnostic dilemma in an uncharacteristic rapidly enlarging swelling of the anterior maxilla: extranodal diffuse large B cell lymphoma. Case Reports. 2016 Mar 30;2016:bcr2015213141.
- Hafiz A, Mufeed A, Kandasamy G, Krishnapillai R. Uncommon inflammatory swelling of the lips: orofacial granulomatosis. Case Reports. 2016 Jan 12;2016:bcr2015211860.

## **Dr. Vidya Manoharan**

- A Comparative Evaluation of Fruit and Mint - flavored sucrose free chewing gum on Salivary flow rate and pH. .Journal of Applied Medical and Dental Sciences volume 3 issue 2 April-June 2017
- Comparative Evaluation of Remineralization Potential of Casein Phosphopeptide-Amorphous Calcium Fluoride Phosphate and Novamin on Artificially Demineralized Human Enamel: An *in vitro* Study. Contemporary Clinical Dentistry June 2018 Volume 9, supplement 1:58-63
- Dental Ozone - A Revolution in Pediatric Dentistry Intl J Sci Res 2018 Feb; 7(2): 69-71
- Assessment of Coronal Leakage with Two Intracanal Medicaments after Exposure to Human Saliva - An In-Vitro Study Int J Clin Pediatr Dent 2018;11(5):406-11

- Length of resin tags in self etching sealant with and without pre etching with phosphoric acid. An invitro comparative study. WJPMR 2018;4(7):72-6.
- Multiple supernumerary teeth in a Nonsyndromic 11-year-old boy. Oral Maxillofac Pathol J 2018;9(2):95-100.
- Comparative SEM evaluation of etching patterns using etchant gel and solution – An invitro study. WJPMR 2018;4(7):77-80
- Is Resin Infiltration a Microinvasive Approach to White Lesions of Calcified Tooth Structures? A Systemic Review. Int J Clin Pediatr Dent. 2019 Jan-Feb; 12(1): 53–58
- Evaluation of Antimicrobial Efficacy and Penetration Depth of Various Irrigants into the Dentinal Tubules with and without Lasers: A Stereomicroscopic Study. Int J Clin Pediatr Dent. 2019 Jul-Aug; 12(4): 273–79
- An In vitro study to ascertain a substitute for Minocycline in triple Antibiotic Paste, an intracanal medicament. KDJ APRIL 2019;42(2)
- An Invitro Comparative study to determine the Efficacy of Chemico Mechanical Caries removal agent CarieCare and V CarieSolve. KDJ APRIL 2019;42(2)
- A Comparative Evaluation of Remineralizing Potential of Three Commercially Available Remineralizing Agents: An In Vitro Study. Int J Clin Pediatr Dent. 2020 Jan-Feb; 13(1): 61–5.
- Influence of mouthbreathing on dentofacial growth and pharyngeal airway space in children-A randomized controlled trial. IJDSIR 2020 Jun; 3(3): 331-7.

## **Dr Ann Meera Johnson**

- Evaluation of antibacterial efficacy of 0.1% Octenidine hydrochloride and 2% Chlorhexidine gluconate against enterococcus faecalis - an in vitro study  
International journal of Scientific research September 2020; 9 (9): 29-30
- Cytokines – as a diagnostic marker of pulpal inflammation  
Global journal for research analysis; July 2019; 8(7); 36-7
- Resin infiltration- a novel approach for the management of white spot lesions  
Paripex - indian journal of research: June 2019; 8(6): 179-81
- A hormonal imbalance- its impact on eruption and exfoliation: a case report  
Global journal for research analysis; February 2019; 8(2); 1-3

- Smart biomaterial in dentistry, sap p11-4 (self-assembling peptide): a review  
Indian journal of applied sciences February 2019: 8(2); 46-8
- Cone Beam Computed Tomography - See the Unseen: A Case Report.  
Acta Scientific Paediatrics 2.4 April, 2019: 15-19.

## Dr Aswathi

- Scanning electron microscopic evaluation of residual dentin surface in primary teeth after using two chemomechanical caries removal agents: an in vitro study  
Journal of pediatric dentistry 2021;January 7(2): 49-57
- Comparative evaluation of the efficacy of chitosan and formocresol as medicaments for pulpotomy in primary molars: a clinical pilot study. Contemporary pediatric dentistry2021:2(2):90-100
- Benign cementoblastoma associated with primary mandibular second molar: a rare case report Journal of oral and maxillofacial pathology2020; feb; vol. 24(suppl 1): s11-s14.

## Dr. Muhamed Sabin. A P

- Comparative evaluation of microleakage and diametral tensile strength of various restorative materials - an in vitro study. International journal of advanced research (IJAR)May 2022,10(05), 273-281
- Regenerative endodontics International journal of advanced research (IJAR) Feb 2022,10(02), 306-318
- Comparative evaluation of the micro leakage of various commercially available pit and fissure sealants using stereomicroscope - An in-vitro study  
International Journal of Dental Science and Innovative Research (IJDSIR), Volume – 4, Issue – 5, September - 2021, Page No. : 123 – 129
- Comparative evaluation of antibacterial efficacy of QMix, 2% chlorhexidine and curcumin against E. faecalis-An In-vitro Study  
International Journal of Dental Science and Innovative Research (IJDSIR), Volume – 4, Issue – 5, October - 2021, Page No. : 379 – 386
- Comparative evaluation of the efficacy of sdf with that of various caries excavating methods- an in-vitro study  
International Journal of Dental Science and Innovative Research (IJDSIR), Volume – 4, Issue – 5, October - 2021, Page No. : 320 – 329
- Comparative Evaluation of Antibacterial Efficacy and Salivary pH on Consumption of Immunoglobulin Y (IgY) Containing Tablets in Preventing Dental Caries in Children – An in vivo study  
International Journal of Dental Science and Innovative Research (IJDSIR), Volume – 4, Issue – 5, October - 2021, Page No. : 111 – 122

- Comparative evaluation of micro leakage and micro hardness of newer restorative materials - An in vitro study  
International Journal of Dental Science and Innovative Research (IJDSIR), Volume – 4, Issue – 6, November - 2021, Page No. : 16 – 24
- Development of occlusion  
International journal of advanced research (IJAR) Sept 20219(09), 755-771
- Role of a pedodontist in cleft lip and cleft palate rehabilitation – an overview.  
International journal of advanced research (IJAR) July 20219(07), 882-906
- Obstructive sleep apnea International journal of advanced research (IJAR) March 2021,9(03), 692-712
- Managing child in dental office by nonparmacological behavior management techniques International journal of advanced research (IJAR) March 2021,9(03), 546-560
- Removable myofunctionalappliances : an overview International journal of advanced research (IJAR) March 2021,9(03), 561-580
