EXAMINATION AND INTERNAL ASSESSMENT POLICY

As per the instructions of the University, the college conducts 3 Internal Exams per year, which includes theory exam, practical exam and viva. Average score of the three internal assessments are sent to the university as the internal marks. Students are required to secure minimum 40% marks in theory and practical exams separately. Internal exams help in identifying slow performers and advanced learners; and to devise special programmes for them. Hybrid teaching methods using LMS have been used as remedial measures for slow performers

1. first internal examination is conducted and slow learners and advanced learners are identified.
2. Improvement measures are implemented and assessment is done by second internal examination.
3. Those who have improved are identified and filtered as advanced learners.
4. Those who haven't shown any improvement are monitored under slow learners.
5. Third internal exams are conducted so that slow learners can score 40% marks as per the university norms.
