An ISO 9001-2015 cermined institution

RESEARCH PROMOTION POLICY

Introduction:

Research Promotion Scheme is aimed to create research ambience in the institutes by promoting research in healthcare sciences and innovations in established and newer technologies; and to generate Master's and Doctoral degree candidates to augment the supply of research experience faculty and research personnel in the country.

Research and development activities are considered as an essential component of higher education because of their role in creating new knowledge and insight and imparting excitement and dynamism to the educational process, as well as make them need based in view of the national requirements

Terms, Definition and Synonyms:

Research Incentive: It includes anything offered to participants, monetary or otherwise, to encourage participation in research.

Purpose:

The purpose of this Policy is-

- To motivate the faculty members of our institution to undertake quality research, consultancy and other research related activities.
- To create and update the general research capabilities of the faculty members
 of the various healthcare and technical institutes.
- · To encourage greater effort and success in securing external research funding.
- To make the Institution's research environment more attractive to current and prospective staff.

Scope:

The scope of the scheme envisages, in particular:

Kiliyamannil Campus, Chattiparamba, Malappuram - 676 504 Tel: 0483 2705602 / 2705603 / 2708353/ Fax: 0483 2706707 E-mail: admin@educareinstitute in _______website: www.educareinstitute.in

As ISO 9001-2015 certified leatestion

- To motivate our faculty members to concentrate on research related activities, in addition to the teaching, so as to publish research articles in reputed refereed international and national journals with impact
- To pursue efforts to write books monographs for publication by International and National publishers of repute.
- To show interest among the members of faculty so that they take efforts to establish collaborative research projects with their counterparts in reputed national and foreign universities.
- To encourage our faculty members to submit proposals and secure funded research projects from various funding agencies in India and Abroad.
- To undertake consultancy projects sponsored by Government & Private,
 Industrial and other organizations.
- To encourage creativity in the minds of faculty members, so that they make original contributions by way of products, concepts and obtain patents.

Policy Statement:

To promote Research and publications by the faculty members and students of the Institution, the guidelines for research promotion are categorized as follows

- 1. Incentives for Research publications
- 2. Incentives for Research projects for extramural funding
- 3. Incentives to the Principal and co-Investigator in Clinical Trials
- 4. Financial assistance for pursuing Ph.D.
- Financial assistance for attending National and International Conferences and Faculty Development programmes

MALAPPLEATO

6. Deputation without financial support abroad and India

Incentives for Research publications and other research related work:
